Re: Grated Parmesan Labels

Dear Ms. Carey:

Enclosed for your review under the Temporary Marketing Permit (TMP) are additional labels, all of which have been previously reviewed by your office. I have included a list that reflects all labels submitted to your office to date, and have highlighted the items included in this package. Items under the heading "New Products Being Brought to Market (not previously submitted)" are noted on the list for the sake of completeness. However, those labels are being submitted separately, under cover of a letter requesting extension of the TMP to those products. I believe this is consistent with our most recent conversation.

Finally, during our phone conversation you stated that you did not have the 5 lb. labels for the DiGiorno products (items 4 and 5 on the list). Our records reflect that these labels were sent with the June 28 submission. Please advise if you still have not located the labels, and we will resubmit them if necessary.

Thank you again for your continuing assistance.

Very truly yours,

Paul J. Petruccelli
